

LORD, LORD, LORD

INTRO

E

VERS

I said Lord, lord, lord, I bless your name,
well I give you glory, and I declare your fame
'cause I just want you, what else can I do,
cause I'm breathlessly, in love with you.
I'm in love with you.

VERS

I said Lord, lord, lord, I give you praise,
and I seek your face for all my days,
'cause I just want you, what else can I do,
cause I'm breathlessly, in love with you.
I'm in love with you.
I'm in love with you.

SOLO

VERS

I said Lord, lord, lord, compassion and truth,
You're slow to anger, and you're gracious, too.
'cause I just want you, what else can I do,
cause I'm breathlessly, in love with you.
I'm in love with you.
I'm in love with you.
I'm in love with you.
