

SAVIOUR

INTRO

VERS A saviour on a hill, dying for my shame could this be true?
Defies the world I see, yet this is all my heart was longing for
to know you my Lord, to know you more.

REFRAIN You deserve, you deserve, you deserve all the praise,
you deserve, you deserve, you deserve all the praise.

VERS The heavens wept for you, the earth cried out: „could he be the one?“,
for you so loved the world you gave your only son to say
I love you so, oh how I love you so.

REFRAIN You deserve, you deserve, you deserve all the praise,
you deserve, you deserve, you deserve all the praise.

REFRAIN You deserve, you deserve, you deserve all the praise,
you deserve, you deserve, you deserve all the praise.

BRIDGE Hallelujah to the king, hallelujah we will sing forever,
Hallelujah to the king, hallelujah we will sing forever,
Hallelujah to the king, hallelujah we will sing forever,
Hallelujah to the king, hallelujah we will sing forever,

VERS And all humanity aches to find this beautiful love you give,
We come to you again, to offer up our lives,
to worship you alone, to worship you alone.

REFRAIN You deserve, you deserve, you deserve all the praise,
you deserve, you deserve, you deserve all the praise.

REFRAIN You deserve, you deserve, you deserve all the praise,
you deserve, you deserve, you deserve all the praise.
